ACULASER

can help you... **STOP SMOKING!**
LOSE WEIGHT!
BE HEALTHY!

INFORMATION, NUTRITION, STIMULATION...

we put them together, to help you succeed!

FACTS-Smoking is bad for you, nicotine is an addictive toxin, with Aculaser, we can help prevent the craving and lessen the symptoms of withdrawal.

FACTS-Obesity is a national epidemic, with Aculaser, we can help suppress appetite, promote calmness and well-being and increase metabolism.

FACTS-Based on the ancient oriental medicine of acupuncture, Aculaser **DOES NOT** use needles. Instead ***state-of-the-art stimulation*** of the auricular points in the body is used.

This procedure has a very high success rate of 85-94%.

This procedure takes only 20-30 minutes.

This procedure cannot be done if you have cancer, are pregnant, or are taking photo-sensitive medications.

This procedure needs you to make some preparations:

- ☛ Do not smoke for one hour prior to the procedure.
- ☛ Wear comfortable clothing.
- ☛ Be prepared to have more energy, feel happier, feel healthier!
